

12th November 2018

Dear Parent/Carer,

As many of you may know, sport within the school is constantly developing thanks to the commitment and motivation shown by both students and staff. Over the years at The Ebbsfleet Academy, the PE department has been known for doing well at a competitive level in a number of sporting activities, with the main focus of involving as many students as possible.

I would encourage any students with a passion for sport and an interest in representing the school to participate, regardless of their perception of their own ability. In the PE department, we look to give equal opportunity to all of our students to take part and enjoy all that sport has to offer.

The PE department will be introducing a participation card; this will act as a record of achievement and a discussion point for tutors to take a further interest in your child's wider school involvement. Each session attended will be signed by the member of staff running the activity and then at the end of the week the tutors will record the amount of sessions and apply the achievement points.

After school clubs and matches will run throughout the year in a wide range of sports; details can be found on the school website, in form rooms and on the notice boards in the PE corridor. Those students attending after school clubs should make their way promptly to the PE corridor at the end of the school day, ensuring that they have the relevant PE kit to participate in their chosen activity. The timetable of sporting events is overleaf.

Yours faithfully,

The PE Department at The Ebbsfleet Academy

Principal: Alison Colwell, BA (Hons), PGCE, NPQH
