

Subject: Art
Year: 8
Term: 2
Topic: Superheroes

Lesson Sequence

1. Pupils begin designing their Superhero with exaggerated proportions.
 2. Add colour to exaggerated proportions template.
 3. Transfer design onto fabric with Fabric pens.
 4. Begin stitching into design to give added details.
 5. Begin sewing together front and back pieces of fabric.
 6. Continue to sew together fabric pieces. Begin adding details to the back.
- Ext – Create a packaging back board for your Superhero

Key Assessments

EA2: Drawing the figure in proportion

Key Words:

Proportion	The size of an object relative to another object.	Running Stitch	The Running Stitch, also referred to as Straight Stitch, is one of the basic hand sewing and embroidery techniques on which most other forms of stitching and embroidery are based. The procedure for working the stitch involves inserting the needle into a fabric and taking it out at small intervals.
Figure	The human body.	Back Stitch	Back stitch is a stitch used in embroidery and sewing stitches. Stitches are sewn backwards to the direction of the sewing.
Logo	A simplified image that	Symmetrical	Made by mixing a primary colour with a secondary colour
Embroidery	Stitching that is visible and embellishes fabric		

Skills covered in this term:

- When drawing the human figure an artist would use the figure's head to measure the correct proportion of the body. How many heads fit into the figure refers to how many heads fit into the height of the figure.
- In a male human figure (if the figure is drawn realistically and not in a more exaggerated cartoon style), generally the figure is 7.5 heads tall and 3 heads wide.
- The Female human figure (Again if drawn realistically) is 7 heads tall and 2 heads wide generally 0.5 of a head for the width of each shoulder.
- Superhero logos reflect the name of the hero - The logo acts as a pictorial aid so that the viewer can quickly recognise the Superhero. For example a simplified Bat silhouette for Batman and a simplified spider for Spider Man. These logos often represent the powers of the Superhero.
